Skills

People Person. Aspiring Landscape Architect. Passionate about design, ecology, and pedestrian scaled places. Enjoys problem solving, bike rides, and living in Alaska.

Experience

MOA, Parks and Recreation / Park Planner (Landscape Architect)

JUNE 2015- PRESENT, ANCHORAGE, AK

Develop guidelines, design elements, and analysis for constructing building and landscape improvements. Organize and run public outreach meetings with diverse stakeholder groups. Conduct site inspections and manage construction projects to ensure conformance to project requirements. Provide analysis and estimates for construction, bidding, staff time, and purchase orders. Coordinate projects with outside federal and nonfederal agencies, school districts, concerned community groups, and individuals.

National Park Service / Botany Biotechnician

MAY 2014 - AUGUST 2014, DENALI NATIONAL PARK, AK

Survey and remove non-native, invasive plants using a Trimble GPS unit and manual control methods. Assisted in long-term and remote vegetation structure study in Yukon Charley National Preserve through the Central Alaskan NPS Botany Department.

Joe Craig Photography / Marketing and Public Relations Coordinator

MARCH 2013 - MAY 2015, LEHIGH VALLEY, PA (Part-time job)

Expanded social media, advertising, and award exposure. Managed strategies for clients, including touching base with clients and follow through with blog and social media platforms.

Education

Temple University / Master Landscape Architecture

AUGUST 2013 - MAY 2015, PHILADELPHIA, PA

Special focus in ecological restoration, and riparian environments. Capstone: "Reconnecting Reading" working with the City of Reading to repurpose and redevelop the Schuylkill waterfront. Included a dam removal, multi-modal transportation recommendations.

The College of Wooster/ Political Science, Int'l Relations

AUGUST 2007 - MAY 2011, WOOSTER, OH.

Women's Basketball Varsity Athlete (senior captain). Senior Capstone: "The Evolution of International Organizations within Food Aid Regimes 1947-2010." (147 p.)

Awards
